

Picture yourself on your website

We believe the right picture is just as important to business communication as the right words so with this in mind we have created a number of services to help businesses with small budgets get the images they need.

From social media and company documentation to advertising and marketing your products, we can find a solution.

This is an introduction to the services we can offer. It is by no means exhaustive. If you have any questions please call us 07962 149074 or email matt@quicklearn.co.uk.

Mi-Stock

is a pilot project, developed to produce bespoke stock images for small business use, for less than the cost of buying generic stock. This is at a fraction of the cost of hiring a photographer to shoot the images a business needs. For more information and to see when [the next event](#) is being held subscribe now to our monthly newsletter with regular offers and updates.

Best Face Forward

is our social media portrait service. Presenting yourself well in social media is becoming more and more important. We can take the headshot pictures that represent you and your business in the way you want it to be seen. You don't need to take time out from your busy schedule, we come to you. The price will depend on your location and includes a consultation.

Buy now, pay later stock photography.

Obtaining images of your business and products can be an expensive process, Luckily we have a solution. We can visit your business, take all the pictures of your staff, equipment, buildings, and anything you can think of for just £49+VAT. This fee includes three images of your choice both print and web ready, royalty free and licensed for any commercial purpose. We then store your unique stock and you can buy the images you need only when you need them dramatically spreading the cost. If you buy enough images we will visit for an update shoot completely free. Perfect if you have new products to offer.

Stock photo shoots for your business.

If you need staff portraits, product shots, infrastructure or even editorial shots of your business at work we can help, no need to book a photographer for a whole day we offer small packages starting at £249+VAT. We visit and shoot the images your business needs discreetly and with as little impact on your business as the brief allows. Better still your images will be delivered to you within 48 hours, ready for any commercial use. All our images provided come royalty free with unlimited commercial use for the life of your business.

Advertising Photography.

'Big budget looking' advertising for an affordable price. Compete with big business and pay much less than they do. We can do this because the real cost of advertising photography is very reasonable.

Photographic training (well we are a training company!).

If you think you can [do your own photography](#) for your business, you probably can. We have a programme that can show you how to take those pictures like the professionals, we offer one to one photographic training and mentoring.
